THE high cost of living does not affect our glasses. It is only our service that is high, and this we intend to have second to none.

Again thanking our numerous patrons from Goffstown for their continued support, and extending the comforts of our parlor while waiting for a car, we are, most courteously,

TOWN WARRANT.

[L. S.]

STATE OF NEW HAMPSHIRE.

To the Inhabitants of the Town of Goffstown, in the County of Hillsborough and in said State, Qualified to Vote in Town Affairs:

You are hereby notified to meet at the town house in said town on Tuesday, the thirteenth day of March next, at nine o'clock in the forenoon to act upon the following subjects:

- 1. To choose all necessary officers and agents for the ensuing year.
- 2. To raise and appropriate such sums of money as may be necessary for the support of schools, for the maintenance of the poor, for the repairs of highways and bridges, and for Memorial Day.
- 3. To see how much money the town will vote to raise for the Goffstown Public Library.
- 4. To see if the town will vote to comply with the provisions of the law for the purpose of procuring state aid for highways.
- 5. To see if the town will vote to raise one thousand dollars for the maintenance of our state highway, the state to furnish an equal sum.
- 6. To see what sum of money the town will vote to raise for the improvement of cemeteries.
- 7. To see if the town will vote to lay out a highway from the Mast Road past the residence of Jerry King in a westerly direction to College road, so called, past the residence of Alcid Carron.

8. To see if the town will vote to employ the Goffstown Cadet band to give ten concerts in the summer and raise and appropriate money for the same, and to provide a band stand.

9. To see if the town will vote to have a quantity of garden hose placed in the town house at Goffstown village for

better protection against fire.

- 10. To see if the town will vote to lay out a new highway from the corner of S. M. Johnson's field down through the grove by the pond and garage to the highway past Johnson's barn.
- 11. To see if the town will vote to light the dials of the town clock provided suitable dials are placed thereon without expense to the town and to raise and appropriate money for the same.
- 12. To see if the town will vote to place standpipes and hose in the town house at Goffstown village for the better protection against fire and raise and appropriate money for the same.
- 13. To hear the report of the town history committee and see what action the town will take toward raising money for the same.
- 14. To hear the reports of agents' and auditors' committees and pass any vote relating thereto.
- 15. To transact any other business that may legally come before said meeting.

Given under our hands and seal this 24th day of February, 1917.

GEORGE L. EATON, LUCIAN W. BARTLETT, CARL B. PATTEE, Selectmen of Goffstown.

A true copy. Attest:

ESTIMATES.

Agreeably to a vote of the town at its last annual meeting we submit the following estimates:

At our last annual meeting we voted to raise the sum of fifteen thousand dollars to defray the usual expenses of the town.

Also eight hundred seventy-seven and 50/100 dollars additional for the purpose of procuring state aid for the construction of our state road; said road being completed we recommend that no money be raised for additional state road the coming year but that the town raise the sum of one thousand dollars for the maintenance of our state road, the state contributing an equal sum. Seven hundred and seventy-five dollars was raised for the purpose in 1916.

The amount of money set aside for school purposes will be about the same as last year. Should either school districtneed more or less for the coming year it should be attended to at their annual meetings.

We also recommend that the money set aside for the permanent improvement of highways and bridges be used in the construction of a bridge of a more permanent character over Harry Brook at the foot of the Mill Hill at Grasmere.

As the usual running expenses of the town vary but little when compared one year with another we recommend that about the same amount of money be raised to defray the usual expenses of the town the coming year as was raised in 1916.

Respectfully submitted,
GEORGE L. EATON,
LUCIAN W. BARTLETT,
CARL B. PATTEE,
Selectmen of Goffstown.

Report of Health Officer

To the Citizens of Goffstown, N. H.:

The following list gives accurately the number of cases of contagious and infectious diseases reported to the health officer during the year ending December 31, 1916:

Diphtheria 5	cases
Measles33	
Scarlet fever 1 c	case
Typhoid fever 3	cases
Infantile paralysis 3	cases

Fortunately there has been no deaths from the diseases usually reported, but there has been one death from infantile paralysis. It was generally thought here, during the last summer, that New Hampshire was stricken with an epidemic of infantile paralysis that might in a way be similar to the one experienced in New York. Now as a matter of fact there were no more of these cases reported to the state board of health than was reported during the year of 1915.

At present these cases when reported are quarantined six weeks, and whether isolation of the patient prevents the spread of the disease is not definitely known.

Vaccination is the important topic for consideration of parents who have children attending school. Children can not attend school who have not been successfully vaccinated, or who can not furnish evidence that they have complied with the following extract from Chapter 93, Public Statutes of New Hampshire:

SECT. 2. No child shall attend any public, parochial or private school unless he has been vaccinated or has had the

smallpox, and this section shall be enforced by the board of health except in the case of a child who has submitted to the process of vaccination not less than three times, or who holds the certificate of the local board of health, that he is an unfit subject for vaccination. Said board of health shall issue such certificate upon the advice of a registered physician approved by said board of health. [As amended in 1909.]

SECT. 18. It shall be the duty of the school board to prosecute offenders for violations of the provisions of this chapter. If they neglect to perform this duty they shall forfeit twenty dollars for each neglect for the use of the district, to be recovered in the name of the district by the selectmen of the town. All necessary expenses incurred in such proceedings shall be paid by the district.

Note.—In eight or ten days after vaccination the child should be seen by the physician and the success of the vaccination certified to, or re-vaccination should be performed if the first operation was unsuccessful. This is particularly necessary for the reason that sometimes a sore is made by scratching, or by the friction of the clothing, or other cause, that is mistaken by the person or family for a true vaccination result, when it is not, and therefore affords no protection against smallpox. True vaccination is protection against this disease, and there should be no uncertainty of its accomplishment.

There were one or two complaints made to the health officer regarding nuisances. These were satisfactorily disposed of without trouble.

The precinct water has been sent to Concord twice during the past year for analysis and the reports showed it to be free from impurities.

> MAURICE A. STARK, Health Officer.

Goffstown, N. H., February 15, 1917.

Report of Town History

Goffstown, N. H., February 24, 1917.

To the Town History Committee of Goffstown:

Gentlemen—During the past year the genealogical record pertaining to the history of Goffstown has been virtually completed unless those especially interested should make additional contributions.

This work has been a gigantic task and I have endeavored to make all possible research for ancestry and likewise bring the statistics to date.

I have been very kindly aided in this matter by the officials in charge of the State Library, New Hampshire Historical Society, the Secretary of State, and especially Miss Parkhurst and Miss Watson in the office of the Registrar of Vital Statistics, who have rendered very efficient help in this line of work.

In regard to the body of the work, the annals and historical part is nearly completed to the incorporation of the town in 1761, and from this date the matter will be less laborious on account of the town records furnishing material help.

Information on matters preceding the incorporation and everything pertaining to the granting of the town in 1748 and the early grant to the Narragansett soldiers, and also all earlier events had to be sought from a variety of sources, wherever it could be found, and was necessarily a slow and tedious work.

A copy of all the headstones in the Goffstown cemeteries has been made and arranged in alphabetical order, which in the future will be a great convenience for those seeking genealogical information.

Report of the Trustees of Goffstown Free Library

There is but little that can be said about the library. Doubtless all that have had occasion to patronize it the past year have received the same courteous attention from the librarian and her assistant as has always been the practice.

Owing to the removal of one trustee and the sickness of another it will be necessary to elect four (4) new members at the March election.

REPORT OF THE BOARD OF EDUCATION.

INDEPENDENT SCHOOL DISTRICT.

There is but little of special interest to report this year. The school has gone very smoothly, and we have only good words for the principal, the assistants, and the grade teachers. Our first experience with supervision has been very good, the school certainly has been held to its work, the teachers helped, and many things straightened out. Money has been saved in buying supplies, and we find much to encourage us to keep on. Mr. McDonald has been very satisfactory, and his relations with the Board of Education have been very pleasant. We also wish to thank the Parent-Teachers' Association for the work they have done in bringing the parents and school into closer relations.

We shall need this year money for a new flag. Three hundred dollars for the supervisor. The insurance must be paid. New seats are imperatively needed for the grammar room, and we shall need \$275 for fuel; \$4.500 for salaries; \$100 for music: janitor and truant officer, \$330; supplies, \$250; books, \$250; Board of Education, \$105.

I hereby certify that I have examined the accounts of Edwin A. Blaisdell, treasurer of the Independent School District, No. 1, of Goffstown, N. H., and have found the vouchers satisfactory and the footings correct.

FRANK A. PARKER,

Auditor.

Goffstown, N. H., February 16, 1917.

REPORT OF THE SCHOOL BOARD OF THE TOWN DISTRICT OF GOFFSTOWN.

In submitting our annual report we wish to express our appreciation for the painstaking work of the teachers in the various sub-divisions of our district.

While some of these schools are small in number of pupils the difficulties in the way of transportation rendered consolidation inexpedient; however the pupils from Tebbetts Hill were brought to Grasmere for the year and those from the east part were transported to the same school during the fall term, a school being maintained in the spring and winter.

The school on Kennedy hill was also opened at the beginning of the fall term.

Music and drawing have been continued in several of the schools, while domestic science has been taken up by the girls of the grammar school under the direction of Miss Batchelder and Mrs. Gilmore, the meetings being held every two weeks at the residence of Mrs. Gilmore.

We wish to extend our thanks and appreciation to these teachers for this extra work in the interest of their pupils, it being entirely voluntary on their part and out of school hours.

The thanks of the district are also due the late Mr. Edward O. Ballard for three large steel engravings of English and American authors, to be hung in the school rooms at Grasmere.

We extend our thanks to the selectmen for the use of the hall at Grasmere for memorial and graduation exercises last spring.

The statistics for the winter term are necessarily incomplete, the schools being still in session.

We thank the voters for the appropriations voted at the last meeting and invite all interested to attend the annual school meeting on Saturday, March seventeenth, at two o'clock in the afternoon in the schoolhouse at Grasmere.

In compliance with the law we submit these estimates for the ensuing year:

REPORT OF TRUSTEES OF CEMETERIES.

In submitting the report the trustees wish to express their appreciation for the increase of bequests for perpetual care of

lots, and the good will with which the owners pay the yearly expense to keep the cemeteries in their present condition. Also the Unity Club for beautifying the drives with evergreens. The new ground that was graded last year adds some very desirable lots.

We are in hopes the price of iron will permit us making some plans the coming year for the new fence.
